The RBI has reported that there were no losses in the management of foreign exchange reserves on account of subprime mortgage crisis in the US.

what steps are being taken by the RBI to enhance the durability of Rs. 10 note which is in common daily circulation?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PAWAN KUMAR BANSAL): (a) The Government and RBI are aware of such practices. The RBI, from time to time, by means of publicity campaigns creates public awareness on handling banknotes.
